Please will you help us by filling in this booklet? We want to find out what people think about school and about jobs. Then we can tell others how to change things for the better.

We are writing to young people all over Scotland. To get a true picture we need a reply from each person we write to. What you think is very important to us. We will not pass on your name to anyone without your permission.

It will not take long to answer the questions on these pages. Put a tick in a box to give your answer, like this .

When you have finished it all, please send it back to us in the envelope provided. It does not need a stamp. Thank you very much.

Yours sincerely

Dr Cathy Garner
